

Antarctica's White Wilderness

The Dancing GyPsies (alias George & Pamela Hurd) are on the move again & as usual—they want you to go too!! We love to travel with our friends & hope to continue dancing around the world!! Here's the issue! We had planned on going to India in Dec 2019. But....OAT changed the trip - changed dates & deleted our full day safari in the National Park to hunt for tigers. So...didn't work! So.... We believe that things work the way they are supposed to & we noticed that they had added in a trip to Antarctica that fit our time frame & it's been on the bucket list even longer!!! We're going for the whole shebang - pre & post. Here's some of the specifics—contact me with any questions you have. By the way, anyone joining us will help us celebrate our 30th Wedding Anniversary on New Year's Eve! Also as usual, as long as we get 10 folks for our group—we'll share the 10% discount we receive with all the travelers! Learn more about this trip at <http://www.gct.com/ATC19>
